

 agropalma	OCCUPATIONAL HEALTH, SAFETY AND ENVIRONMENT CORPORATE POLICY	Revision: 00
		Date: 06/01/2023
		Page: 1/1

Agropalma, National producer of vegetable oil and byproducts, in line with its Mission, Vision, Values and Business Strategies, has as its direction and commitment to:

- Carry out procedures in order to prevent pollution and minimizing significant environmental impacts;
- Protecting the physical integrity and health of employees, seeking minimization of injuries and occupational diseases and promoting a Health and Safety culture;
- complying with legal, contractual and other requirements subscribed and standards applicable to our activities;
- Keep workers and any personnel working under its name qualified and aware of this Policy;
- Promote continuous improvement of the Occupational Health, Safety and Environmental Management System.
